In 1984, a report headed by anesthesiologist Dr. Vincent Collins concluded that full body reaction to pain was observable in an ultrasound at 13 weeks gestation. Yet when President Reagan said in a speech, "Abortion is painful (for the child)", public opinion was harshly critical. Today, 3-D and 4 D ultrasound have made the reality of the unborn child's reaction to pain even clearer—one can see the grimace on the baby's face.

*Prayer to St. Michael*

**Holy Michael**, the Archangel, defend us in battle; be our safeguard against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and you, Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits, who wander through the world seeking the ruin of souls. Amen.

“To be loved by God, to be united to God, to live in the Presence of God, to live for God!

### Bible / Cell Phone

- Ever wonder what would happen if we treated our Bible like we treat our cell phone?
- What if we carried it around in our purses or pockets?
- What if we flipped through it several times a day?
- What if we turned back to go get it if we forgot it?
- What if we used it to receive messages from the text?
- What if we treated it like we couldn't live without it?
- What if we gave it to Kids as gifts?
- What if we used it when we traveled?
- What if we used it in case of emergency?
- Unlike our cell phone, we don't have to worry about our Bible being disconnected because Jesus already paid the bill.
- Makes you stop and think ...'where are my priorities? And no dropped calls!
- **When Jesus died on the cross, he was thinking of you!**
