### Dear Pro-Life Friends:

The Life Chain was a great success yesterday afternoon and we thank all who attended this prayerful and silent witness against the silent holocaust of abortion in our nation. We especially thank Angela Riener, volunteer with Hope Pregnancy Center, and all who helped organize this powerful event. One woman approached one of the participants of the Life Chain to thank us saying she had had an abortion 30 years ago and that we were doing the right thing. She added that our signs--saying that Abortion Kills Children, etc.--spoke the truth. It was a blessing to have been there to commemorate Respect Life Sunday.
