Catholics Are "PRO-LIFE" People

The Vatican condemned the recent decision by U.S. regulators to begin using embryonic stem cells in clinical tests on human patients. The destruction of human embryos involved in such research amounts to "the sacrifice of human beings and is to be condemned."

Dear Parish Family,

I think you should know what a great group of teens we have at Sts. Peter & Paul Parish! I have been taking teens to youth conferences for some time now and am always very grateful for the way our teens represent our parish. They are polite, respectful and mindful of the rules and expectations. Believe me, not every parish is this lucky! So, the next time you see one of our teens, please take a minute to say thanks. . .*Kathy Ackerman*

ASH WEDNESDAY (March 9th) Lent Begins

“Getting Ready to Clear My Clutter”

Joel 2:12-18; Ps: 51: 3-6,12-14,17;

2 Cor 5:20-6:2; Mt 6:1-6, 16-18

Today’s readings give me basic instructions for the next 40 days. As a first step to clearing my heart and mind of clutter, I arrange a quiet prayer corner in which to talk to God. I find a suitable place in my home and stock it with a Bible, a notebook, pens. Today, and every day this Lent, I will spend time with God, reading over the Scriptures for the day listening to what God is saying to me, and writing down what I hear.
