A quote from Blessed Mother Teresa:

“People are often unreasonable, illogical and self-centered; forgive them anyway! If you are kind, people may accuse you of selfish, ulterior motives; be kind anyway! If you are successful, you will win some false friends and some true enemies; succeed anyway! If you are honest and frank, people may cheat you; be honest and frank anyway! What you spend years building, someone could destroy overnight; build anyway! If you find serenity and happiness, they may be jealous; be happy anyway! The good you do today, people will often forget tomorrow; do good anyway! Give the world the best you have, and it may never be enough; give the world the best you’ve got anyway! **You see, in the final analysis, it is between you and God, it was never between you and them anyway!”**

Satan has been very successful in fragmenting our marriages & destroying our families. “In their darkest moments couples have lost hope and therefore they need someone who guards it, they need some “us”, a company of friends who, with extreme respect but also with a sincere will of good, are ready to share part of their hope with those who have lost it. ... I love to think of you as **custodian of a bigger hope** for the couples who have lost it. ... May Mary, Queen of the family, be at your side, as I give my Apostolic Blessing to you and all who are part of the **Retrouvaille** movement.”

HELPING ST. AUGUSTINE'S

Thank you for the many donations to our Peanut Butter ministry. We invite you to please continue! Please drop off PB& J to Fr. Brad to be used at St. Augustine's for feeding hungry students. Also, if you can donate paper plates and cups, that would be a giant help and a way for us to keep our costs down. Costco plates are the best, but we'll take anything. Thank you! ...Fr. Caleb Vogel
