Cry Room ~ It has been wondered....?

Our cry room was established for parents who have a child or children who are upset or fussy, during Mass — to have a place to quiet them while others are worshipping Our Lord at Mass. **It has been wondered why there are no seating arrangements for the cry room.** There are two folding chairs specifically placed in the cry room, for the use of parents of small children, thus the seating provided is sufficient for the needs of those for whom this area is designated.
