**ELECTION YEAR PRAYER**

O most Blessed Virgin Mary, Mother of Mercy, at this most critical time, we entrust the United States of America to your loving care. Most Holy Mother, we beg you to reclaim this land for the glory of your Son. Overwhelmed with the burden of the sins of our nation, we cry to you from the depths of our hearts and seek refuge in your motherly protection.

Look down with mercy upon us and touch the hearts of our people. Open our minds to the responsibilities that accompany human freedom. Free us from the falsehoods that lead to the evil of abortion. Grant our country the wisdom to proclaim that God's law is the foundation in which this nation was founded, and that He alone is the True Source of our cherished rights to life, liberty, and the pursuit of happiness.

O Merciful Mother, give us the courage to reject the "culture of death" and lead us into a Millennium of Life. Trusting in your most powerful intercession, we pray: Remember O most gracious Virgin Mary.....  
("Memorare" prayer)

**Please pray daily.**

### FACTS~~

**Good Friday** always comes on a full moon evening in the calendar.

*..Fr. Pablo-EWTN*

**Date of Easter:** Early in Christianity a controversy arose over setting the date of the annual Pascha. Some, called the Quartodecimans (from the Latin, “fourteenth”), claimed that it should be celebrated annually on the precise date of Jesus’ historical Passover: the 14th of Nisan, usually a weekday. Others insisted that it always be a Sunday, because Christ was raised from the dead on the first day of the week. This controversy was a high priority on the agenda at the Council of Nicaea called by Emperor Constantine in 325. The decision was that it be observed on the Sunday following the first full moon after the spring equinox. In the West, only the Celtic church in Britain refused to accept the date until 664.

**Name of Easter:** In almost every language except English, the name for this annual memorial of the resurrection is some form of the word “Passover” (for example, Pasch, from the Hebrew Pesach, “Passover”). When Christianity arrived in the north countries, its springtime celebration of the resurrection received a new name from the Teutonic people, a name used today by English-speaking people: Easter. At one time it was thought that this name came from an Anglo-Saxon spring goddess, Eostre. This is how Venerable Bede (d. 735) explained it. However, there is doubt that such a goddess ever existed. A better explanation lies in people’s misunderstanding of a Latin phrase for Easter Week, week “in white vestments” (in albis), thinking it was the plural of alba in the Latin idiom for “dawn.” This was translated in Old High German as eostarun. Regardless of the exact origin of the term, the symbolism remains: Christ is the sun that rises at dawn—in the east.

**In Concert ~ May 5th ~ Here @ SPP Parish**

### Scholarship Time: Due May 4th.

Sts. Peter & Paul School is now accepting applications for the “Tony Haener Memorial Scholarship.” This annual scholarship (which covers tuition and the book/activity fee for one school year) is open to any parish student attending the school next fall. Forms are available at the school office and are due by May 4<sup>th</sup>. This annual scholarship is provided by an anonymous donor, in loving memory of Tony.

**Mystagogia:** Easter does not end abruptly. It begins a season. Like all major feasts in the church year, it is celebrated with an octave, a week-long festival. During the early centuries, those who were baptized at the Easter Vigil would gather daily during Easter Week for further instructions in the Christian faith. These special instructions were called “mystagogia.” This mystagogia has been revived today in parishes. Once again, it is an important feature of the newly baptized adults’ journey of new faith.
