ALL GAVE SOME, SOME GAVE ALL

We live in the land of the free
only because of the brave.
Please pray for our Military.

A veteran is someone
who, at one point,
wrote a blank check made payable to
'The United States of America'
for an amount of
'up to and including their life.'

That is Honor, and there are way too many people
in this country who no longer understand it.

"The true soldier fights not because
he hates what is in front of him,
but because he loves what is behind him."
