

Welcome

New Parishioners to Sts. Peter & Paul Parish

If you are new to our community, please contact
Father Mariusz Majewski at 983-0403.

We ask you to complete one of our registration forms, which are on the vestibule bulletin board, and just drop it in the collection, or come visit the parish office.

Call for appointments with Father Mariusz ~ 0403
Marriage Classes & Arrangements
"A wedding is a day, a marriage is a lifetime."
Engaged couples need to schedule a meeting with Father at least 6 months before the proposed marriage date to begin the necessary preparations for the Sacrament of Marriage.

Parents of Babies/Children Needing Baptism We have been really blessed with many children being born in our community. To simplify the preparation process:

1. If parents are in need of baptism for their child, please come to the parish office and pick up our **records information sheet and guidelines sheet**.
2. You will then schedule the Baptismal Class (for parents and godparents). Father will be offering Baptismal Classes roughly once a month AFTER Saturday evening Mass in the Pentecost room.
3. If coming from outside SPP Parish, a letter from the pastor in your parish confirming that Baptism classes have been taken by the parents and the sponsors is required.

Upcoming Dates: April 13, May 11, June 8— after Saturday evening Mass. Call: 983-0403. Office open Monday through Thursday-9am-4:30pm.

May 6 ~ 12

Invitation To All

Summit Academy will be sponsoring an educational talk entitled "Explaining our Origins" by Dr. Ann Gauger of the Biologic Institute in Seattle. Dr. Gauger is a molecular biologist whose work uses molecular genetics and genomic engineering. Her passion is communicating the beauty, wonder, and awe to be found in Creation, and how science rightly understood should lead us to ever-deeper faith. Her talk will cover three views of creation, two views of humanity, why our view of our origin matters, what the Church teaches, what science says, why some claims made by scientists are not justified and why we don't need to be afraid of science, or compromise our theology. We hope you join us on Friday May 17th at 7pm in the Summit Academy gym.
