Email Notes from Fr. Mariusz

(each bullet is from a different email)

- Just a short note to let you know that I got home safely. Everything was on time and I was home on Tuesday at 6PM, 9AM Tuesday Idaho time. Still on jet lag but feel pretty good. Anyway, greetings from my parents your way! God blessFr.M
- My jet lag is almost gone now and I started sleeping in accord with European time. Does Pedro give you any trouble?
- I hope everything is well. I've been enjoying my time so far. I went to my parish church and concelebrated Sunday Mass. The entire sanctuary has been renovated and it looks really impressive. The weather is pretty nice; actually not as hot as it is usually in July.
- Everything is well. The weather is unusual for July --- not too hot.
- Greetings! Tomorrow I am going to spend couple of days at the Baltic Sea (north of Poland) and will be back on Monday. After I come back I will have a chance to celebrate some Masses in Polish, because my pastor plans to take couple of days off. So - I will be functioning as a 'pastor' of my home parish for a couple of days. I really like it because it gives me a chance to celebrate Mass in Polish. So far my vacation is good but... I miss Grangeville!

~~~~~  
I get questions if I heard from Father M.,  
so I figured you all might like to hear how he is doing.  
Please keep Fr. Mariusz in your prayers.
