REDISCOVER CATHOLICISM

Why Have We Abandoned the Rosary?... There are perhaps many reasons why modern Catholics have abandoned the rosary.In a world where we bow to knowledge and academic degrees, piety is considered to border on superstition. But in truth, piety is reverence for God and devotion to God. Isn't part of the goal of every Christian life to devote oneself to God?

Benefits..... Today, I pray the rosary because I believe it is the simplest way to reflect upon the life and teachings of Jesus Christ. To place this in the context of our spiritual journey, I believe that as Christians we are called to imitate Jesus. It is impossible to imitate someone you do not know. We come to know him in the Scriptures, in the Sacraments, and through so many different people and places. The rosary is one other way.

Growth in Virtue The fruit of all spiritual exercises is an increase in the supernatural virtues: faith, hope, and love. Beyond the supernatural virtues, each decade of the rosary introduces practical examples of human virtues, and teaches us to practice these virtues in our own lives. Let's explore those human virtues one decade at a time.

Twenty Lessons..... In the rosary, we have twenty mysteries that beget twenty lessons in life, love, the attainment of virtue, and the genius of God's plan for humanity. There is no more powerful story than that of Jesus Christ.

Prayer To St. Michael

Saint Michael, the Archangel, defend us in battle, be our defense against the wickedness and snares of the devil. May God Rebuke him, we humbly pray; and do thou, O Prince of the heavenly host, by the power of God, thrust into Hell Satan and the other evil spirits who prowl about the world for the ruin of souls. Amen
