**Remember the Church, always and at all times, a Sacred Space and a Sacred Place.** The Church is first, and foremost, a place of worship. It is not an auditorium, convention center, or meeting hall. The church is the primary place we come to spend time with and be intimate with GOD.

**Reverently, Gently, & Silently leave the Church.** Again these actions by the congregation demonstrate due respect for Our Lord in the Blessed Sacrament. There is plenty of time to share camaraderie and conviviality once we have left the worship space of the Church, and, furthermore, we avoid the possibility of disturbing those who wish to remain behind in the church for contemplation and prayer.

**94 out of 226 Registered Families**  
In January, all registered families received a blue registration form for updating our parish records. We thank those 94 families who complied. We could mail out to those who didn’t, but it would cost. This update is important...please help so our parish records are correct with new addresses/phone/cell numbers. This saves time and money for all! We encourage all families who attend SPP Parish Church and consider this parish...their parish, to also register with your parish. Blue forms are now in the back of church. Thank you for your help with this task. Please place in collection or mail to 625 Lake St.
