***New Parishioners ~ We seek to meet and greet you!***

We invite you to **register at the church office** during office hours, or fill out a registration form that can be found online at our parish website. Though a rather simple act, registration is a sign of one's commitment and responsibility to the parish. In practical terms, registration allows the parish to know how many families live in the parish. It also provides an official record of your membership and is essential for participation in parish programs and sacraments.

***Welcome One and All!***
