**Links Across Idaho**

The students and staff of Saints Peter and Paul School in unison with all the Catholic Schools in Idaho are participating in a campaign to raise funds to help the victims of the Japanese earthquake disaster. For \$1 you may purchase a link on a paper chain (your name will be put on the link.) If you choose to donate more than \$20 at one time, your name will be put on a "charm" (a piece of paper hanging off of the chain.) Donations may be dropped off at the school office. All proceeds from this campaign will be given to Catholic Relief Services and earmarked for the victims of the Japanese earthquake disaster. The campaign will end Friday, April 22<sup>nd</sup>. The idea for this campaign came from Sts. Peter and Paul School's 3<sup>rd</sup> & 4<sup>th</sup> grade teacher ~ Jenna Murdock.

From: The Catholic Source Book  
**The Penitential Observance of Lent  
 Historical Background**

Even by the time of Christ, fasting and abstaining were venerable traditions of piety among the Jews. The practices were not foreign to Christ (Mt 6:16, Mk 2:20-9:29) or the apostles (Acts 13:2, 14:23, 2Cor.2:27). In the early Church, a two-three day Lenten fast was common. It was not until the fourth century and the Council of Nicea (A.D.) 325 that a forty-day period was mentioned. In the Middle Ages, the rule relaxed somewhat, with a light second meal and fish allowed. From time to time and place to place, there has been variation in practice, but consistency of spirit: the life of a Christian is a life of penance.
