RETROUVAILLE: Marriage Help-Is your marriage tearing you apart?

Retrouvaille, a life line for troubled marriages is holding a weekend in Spokane, Sept. 9– 11th. For confidential information, or to register for the program call **1-800-470-2230** or visit www.HelpOurMarriage.com

The Greatness of Children

The more clearly and distinctly the student understands the relation of the Creator and the created, the facts concerning the fall of man and redemption, the deep mysteries of the divine inner life of the Trinity, the nature of Christ, the essence and the exalted calling of the Mother of God, the deeper will be her union with divinity, the Redeemer, and the Queen of Heaven.

One can see clearly in the lives of the saints that there advancement in personal sanctity and in a more profound insight into the truths of faith postulate and promote each other reciprocally. This is also precisely true of those saints without a scholarly education. And one need not believe by any means that these deep mysteries exceed the child's powers of comprehension. The strong desire to be introduced to the mysteries of God is often stronger in small children than in adults. And if children are responded to in the right manner with no arbitrary force, then their joyful awareness of getting to know God and of coming closer to him will be accelerated up to the most intensive thinking and living with him.

Mad at God?

Come see Him in the Blessed Sacrament.

Your Heart Calls You

Extreme hunger is rapidly becoming a harsh daily reality for more than 11 million people in eastern Africa. The severe lack of rainfall has resulted in failed crops and critical shortages in food and water. Further compounding this natural disaster are drastic increases in food prices and an influx of refugees from Somalia, who have fled to Kenya to seek food.

Catholic Relief Services (CRS) is already on the ground, providing as much aid as they can with current resources. As our official international relief agency, CRS is experienced at dealing with all aspects of such a humanitarian disaster and is working around the clock to respond to this unfolding crisis by distributing food, clean water, and other emergency supplies.

Pope Benedict XVI and the United States Conference of Catholic Bishops have asked Catholics to respond generously to the desperate needs of our brothers and sisters in eastern Africa. Bishop Driscoll also asks your cooperation in urging your parishioners to offer their prayers and financial support to provide relief to the suffering people in eastern Africa.

2011-2012 PREPARATION

Sts. Peter & Paul School has begun preparing for the 2011-12 school year.

Several families will be in need of tuition assistance. The Angel Fund was created to help such families. Donors give to the Angel Fund and the school distributes the funds to the families in need. Are you willing to help school families in this way? Angel Fund donations can be of any amount ~ and could be a one-time gift or a monthly donation. Donors may choose to be publicly honored (in the form of lists of our benefactors) or they may also choose to be anonymous.
