Anthropologist Margaret Mead wrote about the epochal significance of the Hippocratic Oath now set aside by many medical schools: “For the first time in our tradition there was a complete separation between killing and curing. One profession...was to be dedicated to life under all circumstances, regardless of rank, age, or intellect.”

Ladies of the Parish..... just an FYI.

We are learning **so much and topics can vary.** The next Sunday's readings are discussed and the Catechism along with historical facts. The hour really flies by. **Won't you please come join us.** *We can never stop learning our faith, and this makes the living of our faith even more fulfilling.*

Attending, will be some 55 families, 6 priests, seminarians, and young adults from throughout the states of Idaho and Washington for what will be the sixth annual Family Camp in Idaho. We are again asking for prayers for the success and spiritual blessings for all in attendance.
