Planned Parenthood Federation of America is the largest abortion provider in the country. It has an annual budget of more than \$1 billion. Roughly 46% of that comes from the government (federal, state and local) health service grants and reimbursements. This is the organization that participated in a pro-abortion press conference to oppose a bill to protect pain-capable unborn children from abortion.

Eucharistic Minister Needed

Someone to share 2-3 hours a month taking our Lord to the unfortunate people who can't come to Mass, our Shut-ins. We are in need of some substitute Extraordinary Eucharistic Ministers. It is a very rewarding experience and the shut-ins are so thankful that they get to receive the Body of Christ. Please consider helping with this church need. Thank You. Contact Judy Salisbury at 983-2915 or idahopurplelady@hotmail.com.
