When HE comes again.

“Imagine that you knew Jesus was coming back tomorrow. When a friar asked St. Francis what he would do in this situation, Francis, who was gardening at the time, said: “I would keep hoeing my garden.”
What about you? What would you do? Are you ready?

“What we do in life ... echoes in eternity”

Most Americans assume that sex selection abortions are a problem only in Eastern cultures. Yet, recent videos taken inside Planned Parenthood clinics indicate the organization has no problem aborting unwanted female babies. The idea that a child can be aborted because she is a girl gives new meaning to the phrase, “abortion on demand.”

CHRIST THE KING

Christ the King sends a heavenly army to recapture the city and to throw the usurpers into chains and to set up the heavenly army and the ranks of holy spirits there as in their own native land. Then the sun shines gloriously in the heart and its rays penetrate through all the members and the greatest peace reigns in power there...

When you hear about the dignity of humanity, how it has substantially been endowed with intellect, do you not understand that God had spoken these words, not of angels, but of human nature: “Let us make man according to our image and likeness” (Gn 1:26), and that heaven and earth would pass away, but you have been called to immortality, to be a son, a brother and a spouse of the King?

In the things around us, everything that belongs to the spouse belongs to the bride as well. So also everything that belongs to the Lord, no matter how much it is, he entrusts to you. He came to your aid in person to call you back to what once was yours. Yet you do not understand this nor do you perceive your dignity...

Just as the farmer, when he girds himself to cultivate the soil, must take the tools and clothing for cultivating, so Christ the King, the heavenly and true cultivator, when he came to humanity made barren by evil, put on the body and carried the cross as his tool and worked the barren soul and removed from it the thorns and thistles of evil spirits and pulled up the weeds of sin and burned up with fire every weed of its sins. And in this way he cultivated it with the wood of the cross and planted in it the most beautiful paradise of the Spirit, bearing every fruit that is sweet and delectable to God as its owner.
