What is Fortnight For Freedom? "Across
America, our right to live out our faith is being
threatened– from Washington forcing Catholic
institutions to provide services that contradict our
beliefs, to state governments prohibiting our charities
from serving the most vulnerable. And around the
world, it's even worse--Catholics face persecution and
even death for their witness." (USCCBishops)

“Rediscover Catholicism”

As the centuries have passed, much has changed. Today, Catholicism is the largest faith community on earth. With more than a billion members across the globe, we are no longer the small minority group the first Christians were. Responsible for the birth of both the education and health care systems that stand as pillars in our modern society, we continue to lead with excellence in these areas. Throughout the centuries, the Church has also been the largest benefactor of the arts, nurturing the elements of cultural life that have the ability to elevate the human heart, mind, and spirit so effortlessly to the things of God. In these United States, where Catholics were once not permitted to apply for certain jobs, there are now more publicly elected officials who are Catholic than any other religious affiliation. The Church is one of the largest landowners in the world, holding property in almost every community, from the most remote rural locations to the most sophisticated cities. In this modern day and age, when the life and dignity of the human person is being threatened at almost every turn, the Catholic Church remains the world’s premier institutional defender of human rights. The Church today is a global entity of considerable proportions.

We have come a long way from our humble beginnings. And yet as great as our achievements may be, as great as our numbers are today, we seem unable to capture the attention and intrigue the imaginations of the people of our time the way our spiritual ancestors did.

June 1 & 2 Weekend ~ Diocesan Vocations
(Diocese listed the wrong dates on their directive to this office and this office failed to double check)
We are asked to take up a collection to support Diocesan Vocations. As we continue to seek out, encourage, and support men interested in service to our Church as priests, we know that we must also provide the financial means needed for their formation. This collection helps to offset the growing costs associated with seminarian formation. Please be generous in this collection.

*No Priests —
No Holy Eucharist
Please Pray For Vocations*

We will also have refreshments for everyone to enjoy. **Please come and show Sister Beverly a wonderful welcome.**
