**A quote from Blessed Mother Teresa:**

“People are often unreasonable, illogical and self-centered;

*forgive them anyway!*

If you are kind, people may accuse you of selfish,

ulterior motives; *be kind anyway!*

If you are successful, you will win some false friends and some true enemies; *succeed anyway!*

If you are honest and frank, people may cheat you; *be honest and frank anyway!*

What you spend years building, someone could destroy overnight; *build anyway!*

If you find serenity and happiness, they may be jealous; *be happy anyway!*

The good you do today, people will often forget tomorrow; *do good anyway!*

Give the world the best you have, and it may never be enough;

*give the world the best you've got anyway!*

You see, in the final analysis,

it is between you and God,

it was never between you and them anyway!”
