#### (Catechism of the Catholic Church #899)

Lay believers are in the front line of Church life; for them the Church is the animating principle of human society. Therefore, they in particular ought to have an ever-clearer consciousness not only of belonging to the Church, but of being the Church, that is to say, the community of the faithful on earth under the leadership of the Pope, the common Head, and of the bishops in communion with him. They are the Church.

##### Parishioners' Etiquette at Holy Mass:

- ◆ Should wear clothes to church that will not draw attention to us.
- ◆ Should keep a proper mental attitude at Mass. We should remember we are going to worship God and by offering the same sacrifice that Jesus offered him. Everything we have comes from Him; He is our whole future.
- ◆ Inside church ~ charitable silence.
