Why we have Altar Servers.

What we do at Mass is the most important thing in our life. Everything else comes after that.

What we do here at the Holy sacrifice of the Mass is an echo of what goes on in heaven. There are saints and angels worshiping around the Throne of the Lamb. Altar servers represent and reflect on earth the heavenly host.

Not only do Altar Servers represent the saints and angels, but by being children remind us adults what we must be like to become like the saints and angels. For Jesus said, "Unless you become like a little child, you cannot enter the kingdom of heaven."

Prayer For the Holy Family

Heavenly Father, you have given us the model of life in the Holy Family of Nazareth. Help us make our family another Nazareth where love, peace and joy reign. Teach us to see Jesus in the members of our families, especially in their distressing disguise.

May we love one another as God loves each of us, more and more each day, and forgive each other's faults as you forgive our sins. Help us take whatever you give and give whatever you take with a big smile.

—Bl. Mother Teresa of Calcutta

"The devil hates the family, because it represents a community of LOVE."
