## Summer Helps

### STAY OUT OF THE TRAP

*Bees get stuck in a bee trap because they search in only  
one direction for escape which is opposite the direction they  
got in the trap. They become helpless and eventually die.  
We too get “trapped” in only seeing what is wrong with our  
lives. We can all point out the flaws in our marriage, our  
children, our parents, our co-workers, imperfections in our  
church and in the world. Can we look in a different  
direction, that being God’s presence? We must see the  
wheat among the weeds. We must recognize the goodness  
around us and the grace that exist in the circumstances we  
are in. Adapted from an article by Fr. George Smiga at Pontifical Gregorian  
University in Wickliffe, Ohio. [www.buildingontheword.org](http://www.buildingontheword.org)*
